Funding Opportunities

Take the next step and **Fund a Future** to change a future! Your gift to the **Fund a Future** Campaign, in any amount, will help children overcome the disadvantages of being born into an impoverished and underserved corner of our city. It will provide opportunities that they may never get anywhere else in their lifetime.

See how your investment in **Fund a Future** can be used to change a future—

You can also consider a monthly donation to WTEF, it is a great way to make a larger gift. Just \$60 per month – in honor of our 60th Anniversary – puts your annual donation at \$720. That will help supply our student/athletes with books and tennis equipment. Just check the Recurring Donation box.

All gifts large and small will be invested wisely in our award-winning after-school programs at WTEF. [Fund a Future to change a future!](#)
